A. Z. M. ARIF

FULL STACK DEVELOPER

azmarif.dev@gmail.com | Portfolio | LeetCode | Linkedin | +880 1742-363024 | Malibagh, Dhaka

Profile Summary

I've built several web applications as a passionate Full Stack (MERN) software developer. In addition, I solve problems on Leetcode every day. My career in development began in 2022. I am confident in my ability to solve any practical website problems. I'm a quick learner and love to work with Javascript.
